

Lake Rabun Association Memorial

Remembering Those Who Loved the Lake

It is hard to imagine what life on Lake Rabun would be like today without the contribution of each of the wonderful people whose names appear on the Memorial. If you would like to add a name to the Memorial, please follow the instructions below. Because space is limited on the plaques, the LRA Board of Trustees has agreed that only LRA Members and/or their immediate family members can purchase a plaque on the Memorial.

Each plaque on the Memorial will cost \$300.00. \$100.00 of this will be a donation to the Lake Rabun Foundation in memory of your loved one. The remaining \$200.00 will be for the cost of the plaque. Because of the difference in the tax classifications of the LRA and the LRA Foundation, please make the \$100.00 check payable to NGCF/Lake Rabun Foundation and the \$200.00 check plus any extra character charges payable to the LRA.

The cost of a 2 inch by 8 inch plaque is based on a maximum of 65 characters in the wording on the plaque. Commas, periods, hyphens, etc. are considered characters. If the number of characters exceeds 65, you will need to add 42 cents per extra character to your \$200.00 check made payable to the LRA. There is a 30 character limit per line and a 3 line maximum. We suggest that you look at the different wording on the plaques on the Memorial to help you decide how you would like for your loved one's plaque to read. Please fill out the order form that follows.
