

Lake Rabun Association - Soil Injector Reservation/Lending Process

- To reserve soil injector
 - Contact Buz Stone
 - Cell: 404-626-1746
 - Home: 706-782-5714
 - Email: buzstone@gmail.com
- Due to the fact that a number of people may wish to use the soil injector, LRA asks that it be picked up and returned promptly on the scheduled dates.
- Reservations to use soil injector will be limited to 3 days during peak treatment seasons, i.e., March thru May & September thru November.
- For people who may have the capability to borrow and use the soil injector during the week vs. during a weekend, there will generally be more flexibility in scheduling.
- To reserve soil injector, please provide:
 - Name
 - Address
 - Telephone number
 - Pick-up date and time desired
 - Return date and time desired
- There is NO rental charge for use of the soil injector.
- A refundable deposit of \$300.00 is required at pick-up to borrow the soil injector. Check preferred and should be made payable to Lake Rabun Association.
- Instructions for use and cleaning of the soil injector will be provided at pick-up.
- Upon return of the soil injector, it will be inspected to verify that it has been properly cleaned, is in good working condition and that it has not sustained damage or lost parts.
- A charge will be levied and/or withheld from deposit to cover any repair and/or parts that may be required.
- Upon return of the soil injector, please provide the following:
 - Brand and Chemical used, i.e., abc company and chemical name
 - Number of chemical packets used and size packets, typically 1.6 oz.
 - Number of trees treated
 - Number of breast height diameter (dbh) inches treated
