

911 Boathouse Signs

Boathouse signs with your 911 address are now available through Michael Crowe (706.782.4438 or beargap@windstream.net).

Having your 911 address displayed on your boathouse is critical to a timely response by the Lakemont – Wiley Volunteer Fire Department and the DNR.

The wood signs are \$50 installed and are color matched to the boathouse.

A portion of the proceeds benefits the Lakemont – Wiley Volunteer Fire Department.
